GENERAL CONDITIONS

In July and August reservations are preferably made from one Saturday or one Wednesday for a stay of a week or more. Prices include rental + water, gas and electricity, but do not include the tourist tax. A reservation may not be resold or rented to anyone else (the person whose name appears on the form must be present for the duration of the stay for the reservation to be valid)

Any change regarding the occupants' identity, names, numbers, Dog or options will have to be communicated at the latest 8 days before the arrival date, and will have to be approved by the camp site management.

Every occupant is supposed to respect the site's internal rules. For security reasons, only gas barbecues are allowed on the site.

The swimming-pool is open from 15th June to 15th September, depending on the weather. Since no lifeguards are present, parents are to keep an eye on their children. Please note that boxer shorts are strictly forbidden in the pool. All users must wear swimsuits.

Activities and bar will be proposed in July and August.

Dog: only one for one pitch.

Forbidden dogs of 1st and 2nd category (dogs of attack or guard in French law).

All dogs to be tattooed and to wear flea collars (vaccination records will be asked upon arrival). All Dog to be kept on a leash (yes, even cats!). No pet to be left roaming around or alone.

You are strongly advised to acquire a cancellation insurance that will cover any possible cost, should you need to cancel your stay.

GENERAL CONDITIONS FOR ACCOMODATIONS

► Rentals do not include bedsheets or towels. You may rent those upon arrival.

► Arrival and departure time: In July and August: guests are required to arrive between 3 pm and 8pm. Please note that no arrival will be taken into account between 12pm and 3 pm. All s must report to the office upon arrival. Saturdays: departure before 10 am.

► Payment conditions: reservation will be confirmed as soon as we receive your down payment + 18€ fee (fee not to be reimbursed).

Outstanding balance to be paid for at the latest 30 days before scheduled arrival time. In other words, the full amount of your stay must have been paid at least 30 days before your arrival date, if not; we cannot guarantee your reservation any more.

► An inventory of the mobile home must be conducted by the occupants upon arrival and before departure. It is the occupants' responsibility to inform the campsite management of anything wrong on their arrival day. Should you break or damage anything in the mobile-home during your stay, the broken or damaged item will be replaced by the campsite (to respect uniformity), and the amount will be subtracted from your deposit check).

► The occupants have the responsibility of cleaning the mobile-home before they leave. Cleaning may also be left to the campsite for 65€ (to be paid upon arrival)

► Deposit: You will be required to sign a 415€ deposit upon arrival (320€ for rent, 65€ for cleaning and 30€ for the magnetic card to let your car in) which will be paid back to you within a week (once we have checked the premises after you leave, and (if need be) subtracted the cost of any damages or incomplete cleaning).
